INVITATION FOR REGISTRATION OF SUPPLIERS, CONTRACTORS/SERVICE PROVIDERS

The Civil Service College, Mauritius (CSCM) provides training to officers of the Public Sector, encompassing Ministries, Parastatal Bodies, Local Authorities, Statutory Bodies and others.

The CSCM is in process of updating its database of suppliers to increase the pool of suppliers from whom goods and services amongst others could be procured.

The CSCM invites interested suppliers, possessing a valid trading license to register for the provision of consultancy services, goods, maintenance services, work and others.

All applications for registration must be made on the Supplier Registration Form that can be downloaded from <http://www.cscm.mu/index.php/downloads> . The duly completed form should be sent to **The Director General, Civil Service College, Mauritius.**

Envelopes should be labelled with '*Supplier Registration*'.

Please note the following:

- (i) The CSCM reserves the right to visit any prospective supplier to countercheck the authenticity of information provided
- (ii) This is **only** a registration on the database and **does not** guarantee any award of business.
- (iii) All registered suppliers on the CSCM database should notify in case of change in information provided on the application form within ten (10) working days. Please note that failure to comply may result in the supplier being removed from the CSCM database
- (iv) The CSCM reserves the right to proceed with tender procedures, regardless of the outcome of the 'Supplier Registration' exercise.
